

Punj Lloyd wins project in West Asia

Punj Lloyd Group on Friday announced receiving an offshore project in Al-Khafji, Saudi Arabia, marking its entry into the West Asia market. The ₹314-crore (\$57.75 million) project entails detail design, engineering, procurement, testing, transportation and construction/installation of a new crude transmission line, 40 km submarine rigid pipeline, mechanical completion, pre-commissioning, commissioning/start-up, and performance testing.
